

Message from Osama

After numerous rounds of “We don’t know if Osama is still alive,” Osama himself decided to send George Bush a letter in his own handwriting to let him know he was still in the game.

Bush opened the letter as it appeared to contain a single line of coded message:

370HSSV-0773H

Bush was baffled, so he e-mailed it to Condi Rice. Condi and her aides had no clue either, so they sent it to the FBI. No one at the FBI could solve it, so it went to the CIA, then to the NSA. With no clue as to its meaning they eventually asked Britain’s MI-6 for help. Within a minute MI-6 cabled the White House with this reply:

“Tell the President he’s holding the message upside down.”
